TC-13F-44 APPROVAL PLATE

There is a correction to be made on some approval plates of SCBA's with Approval No. TC-13F-44.

Please look at your approval plate on the back of your back pack. If this second line reads "One Half Hour Self Contained Pressure Demand Type." This can be done by removing the word "pressure" from the second line. This can be accomplished by using a Dremel tool, knife or other sharp tool to scratch the word "Pressure" off the approval plate.

If your approval plate does not contain the word "Pressure" on the second line, then nothing needs to be done. Your TC-13F-44 approval plate is proper.

If you have any questions, please contact SURVIVAIR Technical Services at (714) 545-0410.
